Phyllis,

I forgot that they sent the non-CBI information in by email. I was concentrating on the CBI information that should be in the office. This is what we have, so far. I hope I can find the other part of the submittal in the office today. I will let you know.

*Sincerely,*

Kevin,

Attached please find FGT's response. I am sending the confidential exhibits on a UBS drive via Federal Express, which should arrive tomorrow.

As indicated below, there are a few job descriptions that I will need to supplement. I apologize for that.

Feel free to contact me with any questions or concerns. Thanks.

Kevin

Kevin,

Thanks for the note. Hope you had a wonderful (and safe) holiday, as well.

My goal is send you the electronic response tomorrow and FedEx the CBI for Wednesday delivery. I'm still waiting on 3 of the job descriptions, so I may have to supplement those later. I hope that's not a problem.

Regards,
